

## Sustaining a Volunteer Program

---

### *Introduction*

Community Centres SA and Volunteering SA & NT have worked together to create a series of workshops for Volunteer Managers and supporting staff in Community Centres across SA.

The series has been designed to reach volunteer managers at all levels, whether you are new and just starting, or, very experienced and have maybe been a part of reviewing the standards and some of the resources we refer to.

The workshops aim to help you to understand, benchmark, develop and reconsider volunteer programs and volunteer management approaches in your centres across SA.

### *Instructions*

*Below is a list of what you will need for each workshop.*

#### *Workshop One*

- Paper, pens or texta's
- Gap analysis: either template printed or your own

#### *Workshop Two*

- Paper, pens and textas
- Bring your activities and notes/activities from last session
- True purpose template
- Experience checklists

#### *Workshop Three*

- Paper, pens and textas
- Bring your activities and notes/activities from last session
- Checklists – Volunteer Manager and Volunteer Experience
